Objective

Dedicated and knowledgeable recent graduate with a Master of Computer Applications (MCA) in Cloud Computing, eager to begin a career as a cloud engineer or trainee. Passionate about leveraging technical expertise to foster a collaborative learning environment and contribute to both academic and professional development in cloud computing and web development. Committed to utilizing skills in Java, JavaScript, Python, the MERN stack, AWS cloud services, and effective communication to inspire and educate the next generation of tech professionals.

Education

- **Sanjeev Agrawal Global Educational University Bhopal** 2022-2024
MCA (Cloud Computing)
9.23 CGPA
- **Indira Gandhi National Open University** 2018-2021
BCA
7.0 CGPA

Skills

- Programming Languages : Java, JavaScript, Python
- Web Development : MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Database Management : SQL, MongoDB (NoSQL)
- Cloud Computing : AWS Cloud Services (EC2, S3, Lambda, RDS, etc.)
- Version Control : Git, GitHub
- Communication : Effective verbal and written communication
- Teamwork : Collaborative team player
- Problem-Solving : Analytical thinker, proactive approach
- Adaptability : Quick learner, adaptable to new technologies

Projects

- **EdTech Platform (MERN Stack)**
StudyNotion successfully provided a platform for learners to access a wide range of courses and allowed teachers to share their knowledge with a global audience. The project demonstrated the ability to work with the MERN stack, user authentication, and role-based access control, highlighting my proficiency in full-stack development and teamwork.
This project showcases my skills in building a practical and user-centric application using MERN technologies, and my ability to create a seamless and secure environment for online education. eCommerce Website (MERN Stack)

Achievements & Awards

- Oracle Cloud Infrastructure 2022 Certified Foundation Associate
- AWS Academy Cloud Foundations
- Introduction to Cybersecurity by Cisco

Interests

- Technology Enthusiast: Keen interest in exploring and learning about new technologies.
- Exploring New Places: A travel enthusiast who values diversity and adaptability.
- Cricket: A passionate player with a focus on teamwork and strategy.
